"When My Boy Walks Down The Street"

Grand pianos crash together when my boy walks down
the street
There are whole new kinds of weather when he walks
with his new beat
Everyone sings hallelujah when my boy walks down the
street
Life just kind of dances through ya from your smile
down to your feet
Amazing he's a whole new form of life
Blue eyes blazing and he's going to be my wife
The world does the hula-hula when my boy walks down
the street
Everyone thinks he's Petula so big and yet so petite
Butterflies turn into people when my boy walks down
the street
Maybe he should be illegal he just makes life too
complete...
Amazing he's a whole new form of life
Blue eyes blazing and he's going to be my wife
Oh, shadows of echoes of memories
Oh, things that he brings that he found in the sea
Oh, shadows of echoes of memories of songs
Oh, how could he know that it won't be long...
Grand pianos crash together when my boy walks down
the street
There are whole new kinds of weather when he walks
with his new beat
Everyone sings hallelujah when my boy walks down the
street
Life just kind of dances through ya from your smile
down to your feet
