When the rhythm calls the government falls Here come  
the cops  
From Tokyo to Soweto viva la musica pop We are black  
& white  
and we dance all night down at the hop and the letters  
were tall  
on the Berlin Wall viva la musica pop so if you're  
feeling low  
stuck in some bardo I, even I know the solution  
love, music, wine and revolution love, love, love music,  
wine and revolution  
This too shall pass so raise your glass to change and  
chance  
and freedom is the only law shall we dance...
