( Awry - Awry (a.k.a The Orange Album), 2001 )

You are a little elephant  
Young and full of wonder  
Grow, grow  
You are my bright eyes  
Bold and yet scared of butterflies  
Grow, grow  
Though your dreams are fading  
Grow, grow  
You are a little elephant  
Staring at the scab on your knee  
Grow, grow  
Though you're scared and shaking  
Grow, grow  
Grow, grow  
Grow, grow  
And throw your fears in a garbage can  
Your fears in a garbage can  
And be brave, brave, brave  
Brave, brave elephant  
(you can be brave, you can be brave  
You can be brave, you can...)  
Be brave, be brave  
Brave elephant  
Brave elephant  
Brave elephant  
Brave elephant
