I think we should jump on the piano  
No one's looking we could tear his heart out  
Tear his heart out  
It's too late to save us now but no matter  
We still have time to dance  
So let's dance  
And freak out, freak out, freak out, freak out  
Freak out, freak out  
I think we should rip a hole  
Right through the center of this house  
It's time to tear it down  
Our chance to smoke him out  
It's too late to save us now but no matter  
We still have time to dance  
So let's dance  
And freak out, freak out, freak out, freak out  
Come on let's put off all our hesitation  
And get up on the floor  
'Cause I am gonna laugh ha ha hey  
When you do that dance  
And freak out  
Come on freak out  
Freak out
