whenever i am near you,
whenever i get close to you,
i get a funny feeling..
oh, your too perfect to be real!
your so young and your so clean
you know youve got everything
oh, i can touch you when i please..
Lovely Sweet Darlene-
Darling of my dreams

i know that its unhealthy
im fantasizing everything..
i know that you dont need me
thats why these feelings lie to me..
--

oh, i dont know what to do
i only wish i could have you
Lovely Sweet Darlene-
Darling of my dreams

whenever i am near you,
whenever i get close to you,
i get a funny feeling..
oh, your too perfect to be real!
i touch your hair
i touch your lips
and imagine we kiss..
oh i can die a thousand times!
Lovely Sweet Darlene-
Darling of my dreams
