(Jedi Mind Tricks ft. Shara Worden - Servants in Heaven, Kings in Hell, 2006)

Shara Worden :

I know that times were hard
I know that you've been feelin' down
If you only knew how I'm feelin' for you
If I could take your pain
I wish that I could wash it all away
If you only knew how I'm feelin'

Vinnie Paz :

Mommy I'm sorry if my first letter made you cry
To be honest with you I don't think that I wanna die
Sometimes I feel like that I'm cancerous in others lives
That's probably why I drink at night and sleep till 4 or 5
It's kinda hard walking through life with my distorted eyes

When I was younger I was stupid and I thought I thrived
I thought a lot about everything I said in the letter
And questioned whether or not if I was dead you'd be better

You think my shorty would be happy if I never met her
It's too late now mommy I could never forget her
Could never forget how she told me to love
'Cause my father and my grandmother is always above
It's glory above you know that daddy taught me to thug
And everytime we was with nanny she'd bombard me with hugs, damn

I miss 'em mommy and it's hard to believe
That I'm grown and I don't understand it - why did they leave

Better to die and sleep then never wake and sleep
Then linger on and dare to live when your souls life is gone

Shara Worden :

You've been runnin' around for so long
You've been hurting yourself too much
You keep messin' around with darkness
You're the one who's losin'
You've been runnin' around for so long
You've been hurting yourself too much
You keep messin' around with darkness

You're the one who's losin'
Vinnie Paz :
Mommy I think I'm to try to stick around a while
I got a niece and my nephews they need me around a
while
I think they need me 'cause they hittin' that age
And they ain't tryin' to speak to Lenny 'cause they
spittin' they rage, yeah
And mommy speakin' of Lenny I think my brother need
me
And we Italian so you know my mother loved to feed
me
And it's the little things you do for me that make it
worth it
Like when I play a joint that we did and you say it's
perfect
And when Jay got knocked you knew that I was hurt
You told me put all of my heart in a song and it worked
I promised him I'd be there when he got out the bing
You ain't raised me to be a liar ma' that's not my thing
I told him that I'd hold him down the whole time that he
gone
They kept him locked in a cage but that's cool 'cause
he's strong
So Mommy keep that first letter I wrote you on the low
I think I wanna stay alive and see if I can grow

Shara Worden :
You've been runnin' around for so long
You've been hurting yourself too much
You keep messin' around with darkness
You're the one who's losing
You've been runnin' around for so long
You've been hurting yourself too much
You keep messin' around with darkness
You're the one who's losing
You have power and money, but you are mortal
You know you can not escape death
But immortality can be obtained
The legend is always the same
If others have succeeded conquering death
Why must we accept it
I know where immortals live
And how to obtain their secret
We too could become wisemen
The elements of chemistry are many
But finite
So are the techniques of enlightenment
Shara Worden :
I know that times were hard
I know that you've been feelin' down
If you only knew how I'm feelin' for you

If I could take your pain
I wish that I could wash it all away
If you only knew how I'm feelin'
