When you came jumping down the stairs  
Screaming bloody awful  
You woke up God and everyone  
Screaming bloody awful  
So we took you to the doctor  
He said yeah it's a bad one  
And there's such a shame about it  
'Cause she's so pretty  
And then the earth started shaking  
And yeah it was crazy  
Heaven and hell came crashing down  
And then the earth started shaking  
Yeah it was crazy  
Heaven and hell came crashing  
They came crashing  
It was beautiful and terrible  
So beautiful and terrible  
The phone call  
You never expect  
That somebody get it yet  
It's a sound you never forget  
Because the earth starts shaking  
And yeah it's crazy  
Heaven and hell come crashing down  
And then the earth starts shaking  
Yeah it's so crazy  
Heaven and hell come crashing  
They come crashing  
They come cr-cr-crashing  
It's so beautiful and terrible  
So beautiful and terrible  
It was something of an end  
Of a lovely and a wild thing  
So beautiful in the morning  
You're beautiful  
So beautiful  
You're beautiful in the morning  
And I can't seem to get it through your head  
No matter what I do  
I can't seem to get it through your head  
That I always love you
