What I do I say  
But I can't get far away  
Oh, I go back to  
A memory again  
What you want  
But you know that I'm alive  
Then I'll go back to you  
Don't you know (what I) feel inside

When you (come down) blue  
But I do, I do, I do  
Oh, I come back to  
The one who calls my name out  
What you want  
Don't you know that I can smile  
Then I go back to you  
And then you make (him go inside)

Turn around and smile  
(no) they can't see through your eye  
Could I fall into  
\_\_ talk \_\_  
Come back down  
\_\_ my mind  
Then (it) surrounds you  
Don't you know that I have st\_\_

When you (come down) blue  
But I do, I do, I do  
Oh, I come back to  
The one who calls my name out  
What you want  
Let me know that I'm alive  
Then I go back to you  
And then you make (him go inside)
