Somewhere sunshine burns  
A dark but common horse  
When he fell by the wayside  
No one seemed to notice him  
'Cause you're no good to us  
Lost all your youth  
And all of your usefulness  
And you know that  
No good to us  
Lost all that you could  
To a no, no, no, no  
No good to us  
Lost all your lost all your youthfulness  
And left with a precious little good  
Good to us lost all that you could  
To a no, no, no, no!  
Bring me the workhorse  
Bring me the no good workhorse  
'Cause you're no good to us  
Lost all your youth and all of your usefulness  
And you know that  
No good to us  
Lost all that you could  
To a no, no, no, no!  
No good to us  
Lost all you youth all of your usefulness  
And who told you  
No good to us  
Lost all that you could as a workhorse  
You're no good to us  
Lost all your youth all of your usefulness  
And who told you  
No good as a workhorse
