"Solo Crucifixion"

It's so sad that you're dying
Your life filled with tears
Prognosis looks ugly
Only sixty more years

But you wear you pain proudly
For the whole world to see
It's sick how you wallow
In your sorrow
And self-pity

How you gonna drive the last nail? (last nail)
How you gonna drive the last nail home?
How you gonna drive the last nail home alone?
In your solo crucifixion
Your solo crucifixion
Solo crucifixion

Your suffering's legend
Each breath living hell
This life of a martyr
It suits you so well

But you wear your pain proudly
For the whole world to stare
And all your misery's wasted
Can't you taste it?
Nobody cares

How you gonna drive the last nail? (last nail)
How you gonna drive the last nail home?
How you gonna drive the last nail home alone?
In your solo crucifixion
Your solo crucifixion
Solo crucifixion

How you gonna drive the last nail? (last nail)
How you gonna drive the last nail home?
How you gonna drive the last nail home alone?
How you gonna drive the last nail? (last nail)
How you gonna drive the last nail home?

How you gonna drive the last nail home alone?
In your solo crucifixion
Your solo crucifixion
Solo crucifixion
