When the sun goes down the... come out
Big boys shit nigga bulls his day
'Cause I'm broke nigga you wrong I got racks on the
phone call
Mom and daddy, 24... looking like a ferrow... with the
tay
She asking for dough but the... I couldn't be the...
Cup for the... I could've been the...
I'ma... I'm the one and nice I'ma...
Shopper in the night and I'm winnin got your daughter
and your wife
I'ma pipe I'm really they yelling go hard
... swimming like water go hard champagne no ice but
I'm...
Yes the whole life that I'm livin get money porter all
night For the women
Blowin... coming home... shit I do you are try purse and
Gucci you know my size
I drop them racks been in out, do they like the...
Hurry up and buy, before you hurry up and die on
Think you wanna try em unless you niggas ain't right
And my futuristic swag they like on the... right time
And... get money out the feet this all they front
This is fine

Hook:

When the riff come out big boys shit niggas bulls N
stallions x4
Bulls N stallions, big boys shit niggas bulls N stallions
When the riff come out big boys shit niggas bulls N
stallions x4
Bulls N stallions, big boys shit niggas bulls N stallions

Take the... in the California switch rose up full of
California

Looking like mike and I'm great in... when I roll up in the
California
The... you call... the dust, shot guns my...
Looking like... rock it fine change on my neck... my lady
free
Before his... no... house I'm whip no joke mortgage...

She see that nigga in... I just... that bitch
... in London yes you promise big bens on... honeys
I just... resort that bitch... no joke mortgage... can't
afford it
No... I just cut... yeah roll... play honeys...
Blue frain red guts take your place say spider man
I'm burning out 'cause I'm burn the field
... my hand my... in my other day... that's double stack
Cope... I'm stunned bitch I'm... and I'm blacking hoe
... my red bottoms each town is... that bullshit
Red... rose never get that bullshit sip no point like...

[Hook:]

I'm sipping... every kiss on... on the left
My... right on the south strap on... she ready to clap
Sweet than the ass... I'm like big wood...
I'm ripping pool I'm a catch you sleep
... I ain't trippin I ain't playin... hope you stay
... gift and only face they won't be...
Give me a picnless.the cheese...
I'm a bastard watch what I do... blowing this big
... so it's already understood what I'm popping
Look in my eyes
