African Connection

Africa long waiting  
For those scattered children  
Yeah now

This is African connection  
Ouh yeah  
This is African connection  
we're connecting now  
African connection  
Through the Internet  
This is African connection

Ouu yeah hei

I am so glad we're connecting  
Connecting true true  
With our brothers in Ethiopia  
Connecting true true  
With our brothers in South Africa  
Connecting true true  
With our brothers in Liberia  
Connecting true true  
And some in Ghana  
Even in the Ivory Coast

African connection 4x Jamaica Trinidad connecting  
Saint Lucia-Barbados connecting  
America-London-Canada connecting  
I am so glad to see yeah  
Thank you Lord yeah  
hmmm

We're connecting now  
Through the Internet  
Through the universe

Solo sax / piano

I am so glad to see  
Yeah now

Wooo oooh  
Lord lord

I am so glad we're connecting  
Connecting true true  
With our brothers in Shashamani  
Connecting true true

Connecting true true  
And some in Brazil  
Connecting true true  
And some in Senegal  
Even in Namibia

African connection 4x  
I am so glad to see  
We're connecting now  
Through the universe

Through them don't know  
Them don't Know  
A mental slavery  
Mental slavery  
Cost this separation  
Until we're living like pusing dog  
We pass each other on the streets Lord  
It's hard for us to great  
Because we hate so much hee

African connection 4x  
Sing on  
Sing on brothers  
Sing on sisters  
African connection now  
Yeah now  
I'm feeling so good Lord lord 2x
