Verse 1:

Did I ever tell you what is on my mind?
And did I ever show you what word you define?
You look so good and not only on the outside
Baby your perfect
I want you forever to be mine
Around you I used to be so shy
'Cause baby you're the only thing that makes me smile
It's so funny how you changed me baby
I never thought I would end up saying
That I think your the one for me

Chorus:

You look so good
Without the fancy cars, expensive clothes
'Cause you have the heart
So good
I love the way you look at me
So good
Baby tonight and forever
Even through any kind of weather
So good, so fine
So perfect, so divine.
