"Love You"

Aye girl you see me,
You kind of fresh like figi
My love for you's a freebie,
It's all about l-o-v-e
Cause we belong together like popcorn and movies
Raw fish & sushi,
Guys & call of duty
Love,
Just to be the world and my girl got my back
She my one and only shorty,
The first and the last
I got her,
So know that I'm a beast for her
I love you and I be positive,
Blood type

Do you feel the same?
{Aye aye do you feel the same girl?}
I'm about to say,
{Aye aye I'm about say girl}

Every moment, everyday, step in few beats
I'm not ashamed to say
"I love you"
I love you
I am open, not afraid
It's you that makes my heart beat, all day
Baby I love you
I love you

Yeah I sta-start stuttering the words I wanna say
I lo-love spending time with you baby
Every little thing that I do,
Reminds me of all the memories I had with you

So I won't stop crying, and I will stop lying
Wanna see some kids & a future,

Right, that's what' I'll be buying
Because, there is not a thing that I do,
The keeps me runnin' right back to you

Do you feel the same?
{Aye aye do you feel the same girl?}
I'm about to say,
{Aye aye I'm about say girl}

Every moment, everyday, step in few beats
I'm not ashamed to say
That "I love you"
I love you
I am open, not afraid
It's you that makes my heart beat, all day
Baby I love you
I love you

Now of you got your shawty in your mind
I wanna hear you say "ay ay"
Now if you think they're your partner in crime,
I need you to say "ay ay"

L-o-v-e

Do you feel the same?
{Aye aye do you feel the same girl?}
I'm about to say,
{Aye aye I'm about say girl}

Every moment, everyday, step in few beats
I'm not ashamed to say
That "I love you"
I love you
I am open, not afraid
It's you that makes my heart beat, all day
I love you
I love you
