I saw his new video  
it uploaded two seconds ago  
I wish that he knew my name, my name  
I know him better than he knows himself  
and girls go, crazy they can't help themselves  
and I'm so madly in love

I might freak him out  
but, one day he will find out

Chorus:  
We're in love  
but he don't know me  
were in love  
but he doesn't know it yet  
he won't regret  
having mutual feelings  
were in love  
but he don't know me  
were in love  
and sometime soon he'll find out  
that we are so in love right now

Verse 2:  
He's mine  
potentially, I could be his wife  
honestly, other girls should realise  
they ain't gon' get him from me  
ooohhhh, one day  
god will send him my way  
I gotta meet, gotta meet my baby

can't describe my feeling  
it's like sexual healing

Chorus:  
I'm in love  
but he don't know me  
were in love  
but he doesn't know it yet  
he won't regret  
having mutual feelings

were in love  
but he don't know me  
were in love  
sometime soon he'll find out  
that we are so in love right now
