Well they encourage your complete cooperation
Send you roses when they think you need to smile
I can't control myself because I don't know how
And they love me for it honestly I'll be here for a while

So give them blood, blood
Gallons of the stuff
Give them all that they can drink and it will never be
enough
So give them blood, blood, blood
Grab a glass because there's going to be a flood.

A celebrated man amongst the gurneys
They can fix me proper with a bit of luck
The doctors and the nurses, they adore me so
But it's really quite alarming cause I'm such an awful
fuck (Why thank you!)

I gave you blood, blood
Gallons of the stuff
I gave you all that you can drink and it has never been
enough
I gave you blood, blood, blood
I'm the kind of human wreckage that you love!
