I always felt so far from you  
Like something wasn't right  
But tonight  
I rest my head inside the crook of your arm  
And I feel like a golden star

Exploding  
Tonight we are full  
Tonight we rejoice  
Exploding  
You are my golden star  
Exploding

One, two

Though everything has come undone  
The distance between us closes  
And everything is suddenly  
Exploding  
Tonight we are full  
Tonight we rejoice  
Exploding  
You are my golden star  
Explode

Tonight we are full up  
Tonight we rejoice  
Tonight we are full up  
In spite we rejoice like stars

Exploding...
