Open up your heart to me
Darling, you're resisting this bliss
You've been dreaming only of it
It's just like ice building up inside

Darling, we've accumulated
Too much miscommunication
In a beginning everything is soft
Not defensive, perhaps we begin again shyly

I wanna love you loosely
I wanna love you loosely
So nothing is stopping me
From receiving, from giving out

I wanna storm to blow it out
I wanna shake myself
And turn my heart inside out

I wanna storm to blow it out
I wanna shake myself
And turn my heart inside out

Open up your heart to me now
Open
Darling, you're resisting this bliss
You've been dreaming only of it

I wanna storm to blow it out
I wanna shake myself
And turn my heart inside out

I wanna storm to blow it out
I wanna shake myself
And turn my heart inside out

Don't you want to let it go
Let it go

Let it go
Let it, let it, let it go
Let it go

Let it go
Let it, let it, let it go
Let it go

Let it go
Let it, let it, let it go
Let it go
Let it, let it, let it go

Let it, let it go
Let it go
Let it, let it, let it go
