"In The Beginning"

In the beginning there was a spark
Like two great cymbals clanging
We met head on

There was no time
All of life suspended
And when you spoke one heart jumped into action

This the oldest story
This the finest tale
Our time, our question awaits
Will we seize it
Can we catch it, our reel to reel
Our reel to reel
My only chance at this
I will take hold of it

This glorious day the earth is shaking
Hallelujah, hallelujah
And I will join the unending hymn
Hallelujah, hallelujah

No matter no matter no matter what

This glorious day the earth is shaking
Hallelujah, hallelujah
And I will join the unending hymn
Hallelujah, hallelujah
Hallelujah, hallelujah
