Not for Me

Take away your hand
Your touch is a taking one
I have had enough
Kisses promising too much

Turn away your glance
Your eyes cannot truly find me
I have had enough
Gazing vainly, fading beauty

What is lost is gone forever
I have had enough
Empty longing, fleeting pleasure
Not for me, not for me

Put away this trip with me
I am more than fantasy
I am blood, I have life
Your excuses never suffice

What is lost is gone forever
I have had enough
Empty longing, fleeting pleasure
Not for me, not for me
Not for me

Ever longing endless pleasure
Ever longing endless pleasure
All for me
All for me
All for me
