Let me catch my breath.
This is really hard.
If I starts to look like I'm sweating well
That's coz I am.
I'm not good with words.
But that's nothing new.
Still I have to try
To explain what I want to do
With you. With you.
Run away with me.

Let me be your ride out of town.
Let me be the place that you hide.
We can make our lives on the go.
Run away with me.
Texas in the summer is cool.
We'll be on the road like Jack Karawak
Looking back.
Sam your ready lets go
Anywhere.
Get the car packed and throw me the key
Run away with me.

Sam I know it's fast.
I'm in love with you.
Sam it's crazy but
Sam I'm crazier for you.
I have these plans, Sam I have these plans
Of a house that we build on a bay when we run away.

Let me be your ride out of town.
Let me be the place that you hide.
We can make our lives on the go.
Run away with me.
Alabama heat sign me up.
We'll be on the road like some country song
Won't be long.
Sam were ready lets go
Anywhere.
Get the car packed and throw me the key.

I'm not trying to make you a wife here.

I'm not trying to tie you down.
I'm just saying there might be a life here.
A new one as soon as we run.
Just as soon as we run.
Run away...

Let me be your ride out of town.
Let me be the place that you hide.
We can make our lives on the go.
Run away with me.
Mississippi mud, watch me slide.
We'll be on the road like Jack Karawak
Looking back
Sam your ready, Sam.

Let me be your ride.
Run away with me.
California dreams here we come.
Romeo is coming for Juliet.
Ready set.
Sam were ready lets go
Anywhere.
Say the word and I'm already there.

Run away with me.
