I'm wandering around  
they're searching  
but I can't be found

I need to free myself  
this burden is getting heavy

the sun goes down  
and darkness falls  
the wind feels cold  
and silence crawls

I cannot sleep  
I think of you  
trying to forget  
but you won't let me go

confusion in my head  
they're trying but I can't be read  
the things you left in me  
are getting very heavy

the sun goes down  
and darkness falls  
the wind feels cold  
and silence crawls

I cannot sleep  
I think of you  
trying to forget  
but you won't let me go

the sun goes down  
and darkness falls  
the wind feels cold  
and silence crawls

the sun goes down  
and darkness falls  
the wind feels cold  
and silence crawls

I cannot sleep  
I think of you  
trying to forget  
but you won't let me go
