

## Dweal "Inhume"

once again I see your face  
and it's not the one I know  
hidden in the pale look  
are blue eyes that now are red  
as I'm walking up to you  
I can see the girl inside  
and she screams out loud

come save me I'm drowning  
I'm trapped inside this prison  
I can't take anymore

come take me I'm pleading  
why won't you save me from here  
why did you leave

once again I see your face  
silent as the death inside  
black and blue I look at you  
trying to hear the faintest cry  
and I hear you say

come save me I'm drowning  
I'm trapped inside this prison  
I can't take anymore

come take me I'm pleading  
why won't you save me from here  
why did you leave

I wanna come to you  
I wanna get you out  
I wanna set you free but you won't let me see inside  
you now

you wanna come to me  
you wanna hold me tight  
you wanna see the sun but you're still scared of me

come save me I'm drowning  
I'm trapped inside this prison  
I can't take anymore

come take me I'm begging  
please save me from this anguish  
it's all too much
