I'm waiting I want you to explain
I'm trying but I can't understand
those words sound all the same

I swallowed everything
I wanted it to be true

hey I'm leaving you today
you're lying
it's bullshit to my ears

I'm listening you've got something to say
I'm trying but I can't understand
those words sound all the same
sweet as honey you're lying to me
my mouth is full of your filthy sugar

hey there's nothing left to say
spreading lies and faking tears
is bullshit to my ears

hey I'm leaving you today
spreading lies and faking tears
is bullshit to my ears
