Why so many obstacles on my way.  
Why these creatures  
Whirl 'round on me?  
I want to know who do they obey.  
Which occult strength manages them?

I'm living in darkness  
Far from this world  
I'm living in my dreams  
My own legend

Their infernal sound  
Leads me to sink into folly  
How to overcome this fear  
Which paralyzes me?  
Let me dream of a real existence  
Far from this world  
Of suffering and anxiety...

I'm living in darkness  
I'm seeking the truth  
Hess living in my brain  
The fallen angel

Let me dive into the seeking serenity  
Let me live my own legend  
Find the answers  
Which are eluding me  
Understand the meaning  
Of my non existence  
Let me dream of a real existence...

I'm living in darkness  
I'm fighting for freedom  
I'm living in my dreams  
My own legend

No doubt. Beyond this zone of terror  
Will find all the answers  
No doubt. The try to stop me  
But Ill fight. Cause even if the price  
Of the knowledge consists of suffering

Even if the path to the eternal passes  
In transit to hell

Ill go to the end  
To the end of my dreams
