I just got your letter in the mail
and darlin, you got me feeling blue.
Out of all my pain and misery
The worst has come from you.

I should have known,
You'd leave me in this place to pine.
Somehow I knew,
My love for you, was just wasting time

I feel just like a flower broken, folded over and down
right thrown away

(Lead Section - Break)

Bridge

I hope your always happy
and never find a sad day
like you gave me...
Cause I just got your letter yesterday
and Darling you got me feeling blue
out of all my pains and misery's
the worst have come from you

I should have known
you'd leave me in this place to pine
Somehow I knew, my love for you was just wasting time

I feel just like a flower broken, folded over and down
right throw away,

And Lord I know your sun
Is gonna keep on shining
but could you let it dry some of my tears away...

Cause I feel just like a flower broken, folded over and
down right thrown away
