When I'm walkin' these streets
And I'm countin' my steps
And I'm draggin' my feet
'Cause I ain't ready yet
To start all over again
'Cause every time that I do
I remember you

Well, you broke my heart
And it healed alright
Now we're far apart
And I don't lie awake at night
But every once in a while
Right out of the blue
I remember you

Well, you never write and I never call
And I don't miss you tonight
I'm just curious, that's all
Do you still have dreams?
Did they all come true?
Does it ever seem like you'll never make it through?
And do you ever miss me the way that I do
When I remember you?

When I'm walkin' these streets
Well, you broke my heart
And I'm countin' my steps
But it healed alright
And I'm draggin' my feet
Now we're far apart
'Cause I ain't ready yet
Every once in a while
Right out of the blue
I remember you
I remember you
