Ooohh... Ooohh

Verse 1:

Have you ever heard the phrase "Whatever floats your boat"?

No one else can control your life, you've got the remote,

Yeah, you see.. You reminded of me,

You're who I use to be,

I use to walk around like life is a joke

Bridge:

(Ohhhh) People use to discourage me,

(Ohhhh) And I use to let our worry me,

(Ohhhh) Until I made it up in my mind,

That I'm gonna come as I am,

That I'm gonna do what I can,

Without a care in the world,

If I could carry the world,

The future would be in right hands.

Chorus:

Don't let nobody tell you what you can't do (look at me)

If no one else knows what you're going through (look at me)

Believing in yourself is the route to choose (look at me)

And just in case you need living proof..

Look at me..

Look at me..

Look at me..

Look at me, yeah.

Verse 2:

Did you know that the sky is the limit?

You ain't gotta have a ghemic, just be in it to win it,

It's okay to be shy or to be timid, 'cause like I was once there,

But listen if you stay there you'll be no where, and you'll

be saying,
Life isn't playing fair but are you even playing?
You just gotta step back, and separate that from the
fiction,
You can never go wrong with intuition.

Bridge: 1X

Chorus: 1X

(Ohhhh) Oh..Oh
(Ooohh) Look at me.. Yeah
(Oh Oh oh Oh).. Look at me..
