Till I Can't Take Love No More  
Eddy Grant

I don't know what to do, I don't know what to say.  
I never had a love, to measure up to your love.  
And all the little ways, that you been good to me,  
I've never been afraid, oh, come and give me your  
love.  
Till I can't take love no more, give me love.  
Till I can't take no more, till I can't take love no more, till  
I can't.

And if I had to bet on all the loves I've had,  
Come on, don't be sad, ten to one its your love.  
It would run away with every single place.  
Oh, sweet love is this, come on, give me more love.  
Till I can't take love no more, give me love.  
Till I can't take no more, till I can't take love no more,  
Give me love till I can't take no more.

And all the little ways, that you been good to me,  
I've never been afraid, oh, come and give me your  
love.  
It would run away with every single place.  
Oh, sweet love is this, come on, give me more love.  
Till I can't take love no more, give me love....  
Till I can't take love no more, give me love....  
Till I can't take love no more, give me love....
