I'm screaming so loud my throat is burning
But like a falling tree in the woods, if no one's listening
am I making
Noise?
Although I'm still snared by the words of my own breath
I realize a body cannot suffer in a sweet repose
Take heart it will be over soon
This is everything you don't want to hear
Never again, never again, will my voice fall on deaf
ears

Traded my life, for one on the road, gave it all up, but
kept my soul...
Hardly a man, no longer a child, I'm just another
l.o.s.t.b.o.y.
Loud, obnoxious, pissed off kid with something to
prove
I've got nothing to lose, I'm ready to die, ready to die,
Because I'm a l.o.s.t.b.o.y.
Dressed in black with a target painted on my back
I've learned to adapt to this pedestal you've placed me
on
I'm ready to die ready to die we're all lost boys...
L.o.s.t.b.o.y.

We all I want what we can't have... so it's time we take it
all back
This worlds the iron, we're the rust, what's the world
going to do with
Us...
We are the hammer, we are must strike while the iron is
hot
It's time we lead and not follow,
quit acting like the space in inside your chest is hollow
Search for me, deep in the cities, singing a rebel cry of
pity
There's more than blood pumping through these veins,
no pain no gain
Like a falling tree in the woods, if no ones listening am
I making noise?

Traded my life, for one on the road, gave it all up, but
kept my soul...
Hardly a man, but no longer child, I'm just another
l.o.s.t.b.o.y.
Loud, obnoxious, pissed off kid with something to
prove.
I've got nothing to lose
I'm ready to die, I'm ready to die cause I'm a
l.o.s.t.b.o.y.
Dressed in black, with a target painted on my back
I've learned to adapt to this pedestal you've placed me
on
I'm ready to die, ready to die, because I'm a
l.o.s.t.b.o.y.
