I don't want to make a habit of this  
But seeing you is like getting a fix  
Every time I kid myself, I'll never do it again  
Definition of love on a cliff  
A lemming has no alternative  
I want to die in your arms, that's my  
Suicide wish  
It's only 13 hours till I leave the ground  
And I may never come down again  
So will you meet me there on a ride  
Somewhere  
Just turn left at the sun, before it sets  
Let's go naked, would you dare?  
You, you, send me flying  
You send me flying, knocking me over,  
You, you send me flying, you send me flying,  
You send me flying, flying, over the moon  
For joy  
I don't want to make a fool of myself  
Especially since your with someone else,  
Outwardly demure I would die for you,  
Will you forgive my inclination to tell,  
I throw my wishes down your wishing well,  
I want you now, in a non too subtle way  
Do you want me too  
So will you meet me there, on a ride somewhere  
Just a right at the moon, before it moves  
Let's go naked, would you dare?  
You, you send me flying, you send me flying  
You send me flying, knocking me over,  
You, you send me flying, you send me flying,  
You send me flying, flying over the moon  
For joy  
You send me flying, you send me flying, flying

Definition of love on a cliff,
