"Ain't Got No Troubles"

Visit "[Ain't Got No Troubles](#)" on [MotoLyrics.com](#)

I ain't got no money
I ain't got a dime
No nickels I can rub
No pennies I can find
But I don't want for nothin'
My taste ain't too refined
No I ain't got no troubles on my mind

I ain't got no boss man
Ain't likely to get hired
Ain't seekin' no position
It's doubtful I'll get fired
Ain't look for promotion
Got no job to resign
I ain't got no troubles on my mind
I got no troubles, no troubles
I ain't got no troubles on my mind

To all of life's worries
Both my eyes are blind
No I ain't got no troubles on my mind

And I ain't got no buddies
Ain't got no friends
I ain't got no man
I got no home to keep him in
I got no one to call me
If they can't get in (?)
No I ain't got no troubles on my mind

Ain't got a member of no social club
Ain't got no occasion for me to get snubbed
I ain't got invitation that I must decline
No I ain't got no troubles on my mind
I got no troubles
I ain't got no troubles on my mind
I ain't got no troubles on my mind

I ain't got nobody treating me unkind
I ain't got no troubles on my mind

Astrology ain't for me

Don't care about my sign
Where the moon was when I was born
Or planets that a-lign
Don't care about the weather
Come rain or come shine
No I ain't got no troubles on my mind

I ain't got no religion
Ain't concerned with sin
No preacher or congregation
Telling me I must repent
I ain't got no confessions
To call from the divine
No I ain't got no troubles on my mind

Ain't got no plans, just possibilities
Ain't bothered with the past, or my history
Ain't got no regrets that's keeping me behind
No I ain't got no troubles on my mind

No troubles, no troubles
I ain't got no troubles on my mind
If you see me cryin'
That's just jaw(?)welled in my eyes
I ain't got no troubles on my mind
Oh no troubles, no troubles
I ain't got no troubles on my mind

Ask me how I'm doin', I'm doin' just fine
I ain't got no troubles on my mind
Oh no troubles, no troubles,
I ain't got no troubles on my mind
No troubles, no troubles,
I ain't got no troubles on my mind
