Blues on the loveseat
Where we used to kiss
I'm alone in my living room
And my man is sorely missed
I got the blues all over
Blues won't let me be
I got the blues all over
Blues all over me
Blues on the table
At his empty seat
I was feeling mighty hungry
But the blues won't let me eat
I got the blues all over
Blues won't let me be
I got the blues all over
Blues all over me
Blues when I'm happy
Blues when I am sad
Blues my only comfort
When he makes me mad
Blues where I'm going
I can't get rid of all my blues
And now I've quit from trying
Blues in the cupboard
On the shelf by the gin
I'm drinking by myself
Because he did not come home again
I got the blues all over
Blues won't let me be
I got the blues all over
Blues all over me
Blues in the bedroom
In the middle of the night
He's passed out here beside me
So he cannot hold me tight
I got the blues all over
Blues won't let me be
I got the blues all over
Blues all over me
