You said no but my heart said yes
I couldn't face the truth so I kept on lying
I love you but you don't love back
I couldn't deal with that so I kept on trying
There's no denying that I'm a

Slow learner
Can't seem to get it through my head
Must be a slow learner
I still ain't got it yet
I drew a blank on the first time
A little fuzzy on the second time
I got a clue on the third time
Now I'm slowly learning
You ain't ever gonna love me

Never any good in chemistry
That's why it's hard for me to see we ain't got none
You don't want me I'm a cryin' mess
I'd listen to my common sense if I had some
But I'm to in love and I'm a

Slow learner
Can't seem to it through my head
Must be a slow learner
Still ain't got it yet
I drew a blank on the first time
A little fuzzy on the second time
I got a clue on the third time
Now I'm slowly learning
You ain't ever gonna love me

Yeah I'm very slowly learning
You ain't ever gonna love me
Slow learner (repeat till end)
