Our story time is told
And I'm blinded by the afterglow
Can you hear me in here?
I'm thumbing through the pages

The beautifully romantic years
I can hear you, dear ohh..

'Cause right in front of me,
You disappear
You're still vanishing
You left me here, but I'm not
All alone, not all alone
Cause right in front of me
You're still here.

Dear daddy don't you miss me?
Cause in heaven there's no room for tears
I can feel you here
And as I'm thumbing through the pages
Seems forever's just too far away

When we meet again
I'll remember when

Right in front of me
You disappeared
You're still vanishing
You left me here, but i'm not
All alone, not all alone
Cause right in front of me
You're still here

Cause right in front of me
You disappeared
You're still vanishing
You left me here, but I'm not
All alone, I'm not all alone
I'm not all alone, I'm not all alone

Cause right in front of me
You disappeared

You're still vanishing
And I'm still here
