### **"Come Undone"**

(feat. Jessie James, originally by Duran Duran)

Mine, immaculate dream,  
Made of breath and skin,  
I've been waiting for you,  
Signed with a whole tattoo,  
Happy birthday to you,  
Was created for you.

*[Jessie James:]*

I cant help but keep from falling apart,  
At the seams,  
I cannot believe their taking my heart,  
Into pieces

Ohh it might take a little time,  
Might take a little crime,  
To come undone,  
Now we'll try,  
To stay blind,  
To the hope and fear outside,  
Hey child, stay wilder than the wind, can blow me in,  
To crime,  
Who do you need,  
Who do you love,  
When you come undone.

Who do you need,  
Who do you love,  
When you come undone.

Words,  
Play me deja vu,  
Like a radio tune,  
I swear Ive heard before,  
She'll,  
Resist something real,  
Or the magic im feeding,  
Off your fingers.

*[Jessie James:]*

I cant help but keep from falling apart,  
At the seams,  
I cannot believe their taking my heart,  
Into pieces

Lost,  
In a self filled sky,  
Might make it alright,  
To come undone,  
Now, we'll try,  
To stay blind,  
To the hope and fear outside,  
Hey child, stay wilder than the wind, can blow me in,  
To crime,  
Who do you need,  
Who do you love,  
When you come undone.

Who do you need,  
Who do you love,  
When you come undone.

*[Jessie James:]*

I cant help but keep from falling apart, (apartt)  
At the seams, (who do you need)  
I cannot believe their taking my heart, (who do you  
love)  
Into pieces  
I cant help but keep from falling apart,  
At the seams, (who do you love)  
I cannot believe their taking my heart into pieces.
