She's yelling on the phone  
She's yelling on the phone again  
I'm thinking of the door before I lose control again  
We're running out of time  
We're running out of time my friends  
She's yelling on the phone  
I'm thinking of the door  
In my head  
And I'm leavin'  
Its over  
Goodbye  
My love  
So long  
Goodbye  
Goodbye my love  
I'm going away  
I think it's time to leave  
So maybe I can breathe again  
Been down this road before  
I'll make it on my own  
Instead  
She's crying on the phone

She's losing all control again  
Now I'm walking out the door  
I'm never coming home again  
And I'm leavin'  
Its over  
Goodbye my love  
So long  
Goodbye  
Goodbye my love  
I'm going away  
Goodbye my love  
So long  
Goodbye  
Goodbye my love  
I'm going away  
Goodbye my love  
So long  
Goodbye  
Goodbye my love

I'm going away  
Goodbye my love  
So long  
Goodbye  
Goodbye my love  
I'm going away  
I'm going away  
I'm going away
