I was fine right before I met her
Never hurt and nothing could control me
You know I tried but I can't regret her
She's the first, ask anyone who knows me
Terrified that she'd find my heart and break it
Paralyzed by the thought of her with someone else

I wish I would've known
I shouldn't have fallen in love with her
It's been nothing but trouble till now
I shouldn't have fallen in love at all
But I couldn't stop myself
Who gives you the right
To tear up my life?
How dare she be so perfect
What did I do to deserve this? (wooh)
(I'll never let her go)
How dare she be so perfect
(caught in the fire)

I haven't cried since the day she left me
Cause that would mean that I admit it's over
I tell myself that she's tryin' to test me
She'd never leave, she still needs me to hold her
Horried cause she found my heart and broke it
Mortified when I picture her with someone else

I wish I would've known
I shouldn't have fallen in love with her
It's been nothing but trouble till now
I shouldn't have fallen in love at all
But I couldn't stop myself
Who gives you the right
To tear up my life?
How dare she be so perfect
What did I do to deserve this? (wooh)
I gotta let her go
How dare she be so perfect

Tell me why
You started the fire
And played me like that [x2]

[4x] Ooooh
I shouldn't have fallen in love with her

It's been nothing but trouble till now
I shouldn't have fallen in love at all
But I couldn't stop myself
(I gotta let her go)
Who gives you the right
To tear up my life?
How dare she be so perfect
What did I do to deserve this? (wooh)
(I gotta let her go)
How dare she be so perfect

Tell me why
You started the fire
And played me like that [x2]
