Kiley won't kiss my friend Cassandra
Jessica won't play ball
Mandy won't share her friend Miranda
Doesn't anybody live at all

Amanda won't leave me empty handed
Got her number from the bathroom stall
Brandy just got way too much baggage
And that shit just gets old

But I got a girl who can put on a show
The dollar decides how far you can go

She wraps those hands around that pole
She licks those lips and off we can go
She takes it off nice and slow
Because that's PORNSTAR DANCIN'

She don't play nice, She makes me beg
She drops that dress around her legs
And I'm sittin right by the stage for this
PORNSTAR DANCIN'

Your bodies lighten up the room
I want a naughty girl like you
There's nothing harder to do

(Chad Kroger)
Stacy gunna save herself for marriage
But that's just not my style
She's got a pair that's nice to stare at
But I want girls gone wild

(Dark)
But I know a Place
where theres always a show
The dollar decides how far you can go

She wraps those hands around that pole
She licks those lips and off we can go
She takes it off nice and slow
Because that's PORNSTAR DANCIN'

She don't play nice, She makes me beg
She drops that dress around her legs
And I'm sittin right by the stage for this
PORNSTAR DANCIN'

Your bodies lighten up the room
I want a naughty girl like you
Lets through a party just for two
You know those normal girls won't do

She wraps those hands around that pole
She licks those lips and off we can go
She takes it off nice and slow
Because that's PORNSTAR DANCIN'

She don't play nice, She makes me beg
She drops that dress around her legs
And I'm sittin right by the stage for this
PORNSTAR DANCIN'
