My dear my dear my dear you do not know me
But I know you very well
Let me tell you that I c-c-c caught you caught you
My dear my dear my dear you do not know me
But I know you very well
Let me tell you that I caught you

Talk to me and tell me where you were (late last night)
You just told me you're with your friends hanging out
(late last night)
You're lying, cuz you're stuttering
Now where were you? (late last night)
Stop lyin' to me about where you've been
Cuz you're tickin' me off (t-t-t-tickin' me off)

I can see you're lyin', cause when you're replyin'
You stutter stutter
You stutter stutter
[x4]

I smell cologne, damn it's strong
How'd you get it on? (I'm not done)
He messed up your hair, makeup's everywhere
Oh yea (I'm not done)
You're crying cuz you're lyin'
To my face (I'm not done)
Stop lyin' to me about where you've been
Cuz you're tickin' me off (t-t-t-tickin' me off)

I can see you're lyin', cause when you're replyin'
You stutter stutter
You stutter stutter
[x4]

My dear my dear my dear you do not know me
But I know you very well
Let me tell you that I c-c-c caught you caught you
My dear my dear my dear you do not know me
But I know you very well
Let me tell you that I caught you

I can see you're lyin', cause when you're replyin'
You stutter stutter
You stutter stutter
[x4]
