

Electric Fan Death "Faceless"

I've been lucking out it seems
Walking out from ever scenes
I've been holding in my dreams
From all my dreary effigies
I don't blend into this world
My grey and faceless under heard
I don't seem to care for them
They melt into my mind and swell

Take me there
Leave me there
Take me there
Leave me there

Ripping seems from in your sea
'Cos I'm holding on
Tearing shreds from in your seeds
'Cos I'm holding on
Holding on to nothing
