Everything you show me dies
You're pulling brambles from my sides
Holding in those coloured aches
Fluid skinless flesh dictates.

Everytime we float I die
You hold me caged inside your mind
Holding in those coloured aches
Fluid skinless flesh dictates.

You're never holding out your leaves
You're always sinking in me
Wade in
Wade in

Roots embedded my kind leach
My thoughts are sinking in me
Wade in
Wade in

Everything you show me dies
You're pulling brambles from my sides
Holding in those coloured aches
Fluid skinless flesh dictates.

Everytime we float I die
You hold me caged inside your mind
Holding in those coloured aches
Fluid skinless flesh dictates.
You're never holding out your leaves
You're always sinking in me
Wade in

Roots embedded my kind leach
My thoughts are sinking in me
Wade in

Bleed out
Bleed out
'Cos the hurt we're given

gives our lives some meaning
And a hurtless given
Drives a lifeless being

Bleed out
Bleed out
'Cos the hurt we're given
gives our lives some meaning
And a hurtless given
Drives a lifeless being
