Pen
Bleeds out
When
Shadows die

Pen
My ache's shout
Where shadows always die

Can't you see it's everything
It's everything that I aren't been
'Cos I've been shooting shadows in my mind
Can't you see it's everything
It's everything that I can't be
'Cos you've been shooting shadows in my mind

Hope
Designed
Help shadows die
Hopes
Our mind's sigh
Helped shadows always die

Can't you see it's everything
It's everything that I aren't been
'Cos I've been shooting shadows in my mind
Can't you see it's everything
It's everything that I can't be
'Cos you've been shooting shadows in my mind

I'm sealing over what you're seeing over, its transient
how we've become
I'm sealing over what you're seeing over, its everything
that we've become
