Stick around get out of town
You might figure out the reasons
Why you lost hope, can't hope
Take me to the highlands, Æ!..Repeat

Stick around get out of town
I can't feel my mountains breathing
Æ, Æ Cos you got hope, but can't hope
Take me to the highlands, Æ!..Repeat

Disguised by photographs of falling rocks on leaves
This event came out of nowhere
Pushing pictures that show nothing of your genes
This event came out of nowhere
Wayguk, we Æ, Æ re nowt to you

Stick around get out of town
You might figure out the reasons
Why you lost hope, can't hope
Take me to the highlands

Stick around get out of town
I can't feel my mountains breathing
Æ, Æ Cos you got hope, but can't hope
Take me to the highlands

Disguised by photographs of falling rocks on leaves
This event came out of nowhere
Pushing pictures that show nothing of your genes
This event came out of nowhere
Wayguk, we Æ, Æ re nowt to you
