A boy so young upon the gallows  
Gazes down like a saint  
From the church of children's cries  
The awaited one anticipates  
Issued from her mouth a further request  
The sons of Adam put to death

A voice is heard  
Echoes from a hollow soul  
A golden word  
Wrapped in books of skin and blood  
From harmony  
leaps a vision of your guilt  
And treachery  
smiles oh so very sweet

The last whisper from a dying heart  
Limps away through the night  
Chased by angels falling through the sky  
As the snow, oh what a sight  
This closing river takes all away  
Daughters of Eve, slowly fade

Given the word and the movement will begin  
If it's unheard, the message must be sent  
So slowly now, like the early morning bloom  
And this is how the perishing will come  
This closing river takes all away  
Daughters of Eve slowly fade (fade away)

Give him a word and the movement will begin  
If it's unheard, the message must be sent  
So slowly now, like the early morning bloom  
And this is how the perishing will come
