Whats it gonna be cause i cant pretend
Dont you want to be than friends
Hold me tight and dont let, dont let go
You have the right to lose control, dont let go

I often told myself that we could be more than just
friends
I know you think if we move too soon it would all end
Im left in misery when your not around
I wont be satisfied till we take full vow

They'll be some love making heart breaking soul
shaking love love making heartbreaking soul shaking

Whats it gonna be cause cause i cant pretend
Dont you want to be more than friends
Hold me tight and dont let go, dont let go
You have the right to lose control, dont let go

I'd often fantizize the stars above our shelf
They'd know my heart would speak to you like only
lovers do
If i could wear your clothes
I'd pretend i was you, and lose control

They'll be some love making heart breaking soul
shaking love; love making heart breaking soul shaking

Whats it gonna be cause i cant pretend
Dont you want to be more than friends
Hold me tight and dont let go, dont let go
you have the right to lose control, dont let go

Running in and out of my life
Has got it so confued
You got to make the sacrifice
Somebodys got to choose
We can make if try
For the sake of you and i
Together we can make it right

Whats it gonna be cause i cant pretent

Dont you want to be more than friends
Hold me tight and dont let go, dont let go
You have the right to lose control, dont let go

Said you have the right lose control, yeah, ooh

Whats it gonna be cause i cant pretend, oh no
Dont you want be more than friends
Hold me tight and dont let go, dont let go
You have the right to lose control
You have the right to lose control baby, dont let go
