You don't have to place your bets
What you see is what you get
Sorry if you wanted something more
I'm trying hard to sleep this off
Damage from a one way midnight talk
You must think that I can read your mind
We both know it's not OK

Maybe I'm out of line
With the way I live my life
But here's the truth so are you
You're a walking book of secrets
And I'm never gonna ever let you
Make me feel ashamed
Cause you're the same

Now that I'm cropped out of shot
You can have the life you bought
We can both start to assume the worst
Honestly came way too late
And couldn't make up for our mistakes
We both wish each other all the best
But we both know it's not OK

Maybe I'm out of line
With the way I live my life
But here's the truth so are you
You're a walking book of secrets
And I'm never gonna ever let you
Make me feel ashamed
Cause you're the same

Maybe I'm out of line
With the way I live my life
But here's the truth so are you
You're a walking book of secrets
And I'm never gonna ever let you
Make me feel ashamed
Cause you're the same

Yeah, you're the same
