Headfirst into fire  
Thinking I could be a hero  
Flames climbed up higher  
Burning nothing but my ego  
And I kissed your lips  
Like some kind of strange down payment  
Thinking if this ship ran into rocks  
That kiss might save it  
I guess that's why that all describe  
This love that's like a fall  
You broke my heart in so many parts  
I'll never find them all

I don't want to fall in love again  
It hurts too much  
I don't want to fall in love  
It's way too hard to crawl out of  
I don't want to fall in love again  
To fall in love again

Laughing at myself  
Looking back on all the wreckage  
I wish I could travel back in time  
And read myself a message  
But somehow I convinced my heart  
To dive back in again  
We crashed our souls into each other  
Hoping that they'll fit

I don't want to fall in love again  
It hurts too much  
I don't want to fall in love  
It's way too hard to crawl out of  
I don't want to fall in love again  
To fall in love again

Don't wanna fall  
Don't wanna fall  
Don't wanna fall in love again  
Don't wanna fall  
Don't wanna fall  
Don't wanna fall in love again, no

Don't wanna fall  
Don't wanna fall  
Don't wanna fall in love again  
Don't wanna fall  
Don't wanna fall  
Don't wanna fall in love

I don't want to fall in love again  
It hurts too much  
I don't want to fall in love  
It's way too hard to crawl out of  
I don't want to fall in love again  
To fall in love again
