i love you when you come around
you make my heart burn
rise me up put me down
i love you when you come around
you make my heart burn
rise me up put me down
i love you when you come around
you make my heart burn
rise me up put me down
i love you when you come around
you make my heart burn
rise me up put me down
down down down down

relax and lose your mind
cause i don't want the real thing
relax and lose your mind
cause i don't want the real thing
relax and lose your mind
cause i don't want the real thing

go out from africa to ibiza
tonight i am searching for a real diva
with no visa .. everybody € something
rise you up to the ceiling
from africa to ibiza
from africa to ibiza

from africa to ibiza

relax and lose your mind
cause i don't want the real thing
relax and lose your mind
cause i don't want the real thing
relax and lose your mind
cause i don't want the real thing

something take over
feel alright
i don't know what is is
i just let the music control me
let my body down

let the rhythm consume my soul

from africa to ibiza
from africa to ibiza
from africa to ibiza

relax and lose your mind
cause i don't want the real thing
relax and lose your mind
cause i don't want the real thing
relax and lose your mind
cause i don't want the real thing

i love you when you come around
you make my heart burn
rise me up put me down
i love you when you come around
you make my heart burn
rise me up put me down
from africa to ibiza
from africa to ibiza
from africa to ibiza

relax and lose your mind
cause i don't want the real thing
relax and lose your mind
cause i don't want the real thing
relax and lose your mind
cause i don't want the real thing
