So fresh
So fly
VIP
You go
Let's go

[Chorus]

She's so fly look how she dress
If I'ma say so myself I am impressed
You know she got designer shoes
With the matching purse
Yeah shawty, and you killin', so where's the hearse
Can I get a hand clap
Can I get a hand clap
Can I get a hand clap
Can I get a hand clap for her
She's so fine
She deserves a round of applause

[Elijah King]

She independent, she got her own
Work hard for all that money, she ain't no stay-at-home
My baby handles business and when we all alone
She put it down for Daddy until ..anymore
All night, all night, all night
Girl, this feeling's so right, so right, so right
You ain't gotta..
I could spend my whole life
Knew it from the first
Anytime we .. 'cause she's so

[Chorus]

She's so fly look how she dress
If I'ma say so myself I am impressed
You know she got designer shoes
With the matching purse
Yeah shawty, and you killin', so where's the hearse
Can I get a hand clap
Can I get a hand clap
Can I get a hand clap
Can I get a hand clap for her

She's so fine
She deserves a round of applause

[T-Pain]

..can I get a witness
Gotta put shawty on my hit list
Booty playin' with me like 'you will never get this'
But if she keep throwin' me the pictures
I'ma have to catch her with the..
Keep it runnin' through my mind all day
So I can imagine she ain't gotta worry about a..
I thought I saw her blow me kisses
I think I'm coming down with a sickness
But I can't throw up, it's like throwing down
All the way up here..
I might give her ear just little lick, lick
..quick fix
But I don't mean no disrespect
Notice I went through the whole verse without sayin'..

[Chorus]

She's so fly look how she dress
If I'ma say so myself I am impressed
You know she got designer shoes
With the matching purse
Yeah shawty, and you killin', so where's the hearse
Can I get a hand clap
Can I get a hand clap
Can I get a hand clap
Can I get a hand clap for her
She's so fine
She deserves a round of applause

[Bridge]

I know you know the feeling when a sexy girl goes
walking by
She looks so fly, put your hands up to the ceiling, hey
If you wanna take her home tonight, put it on..
I know you know the feeling when a sexy girl goes
walking by
She looks so fly, put your hands up to the ceiling, hey
If you wanna take her home tonight, put it on..

[Chorus]

She's so fly look how she dress
